

## **MSEC DATA BASE TERMS OF USE**

The data and documents are provided to any user by the MSEC (Multi-Scale Environmental Changes) observatory composed of the 4 following institutions:

- Institut de Recherche pour le développement (IRD)  
Ministry of Foreign Affairs and Ministry of Higher Education and Research (France)
- Department of Agricultural Land Management (DALaM)  
Ministry of Agriculture and Forestry (Lao PDR)
- Department of National Parks, Wildlife and Plant Conservation (DNP)  
Ministry of Natural Resources and Environment (Thailand)
- Soils and Fertilizers Research Institute (SFRI)  
Vietnam Academy of Agricultural Science (Vietnam)

You may copy, distribute and transmit the data as long as you acknowledge the source through proper citation as shown below.

MSEC observatory. MSEC Data Base. <http://msec.obs-mip.fr>

You may reshape the data and merge the data with other sources but the modification done should be clearly traceable.

You may not resale nor use the data for any commercial purposes except with written permission from both MSEC observatory and the author(s) concerned.

### **Citation Requirements**

1. In accordance with scientific standards, all users of these data should make appropriate acknowledgement to the producer of the data as well as the distributor using bibliographic citation. Such citations will appear in footnotes or in the reference section of any such manuscript.

2. Regarding the specific case of scientific publications using the MSEC Data Base, it is expressly asked to the authors to cite the related article below:  
*Valentin, C., Agus, F., Alamban, R., Boosaner, A., Bricquet, J.P., Chaplot, V., de Guzman, T., de Rouw, A., Janeau, J.L., Orange, D., Phachomphonh, K., Phai, D., Podwojewski, P., Ribolzi, O., Silvera, N., Subagyono, K., Thiébaux, J.P., Toan, T., Vadari, T., 2008 - Impact of rapid land use changes and conservation practices on annual runoff and sediment losses from 27 upland catchments in South-East Asia. Agriculture, Ecosystems and Environment, 128, 225-238. DOI: 10.1016/j.agee.2008.06.004*

3. MSEC consortium requests a copy of any produced material based on the data. This includes position papers, scientific reports, and graduate papers in addition to publications.

### **Disclaimer**

Whilst utmost care has been taken by MSEC observatory and data authors while collecting and compiling the data, the data is however offered "as is" with no express or implied warranty. In no event shall the authors or the institutions involved in MSEC observatory for any actual, incidental or consequential damages arising from use of the data.

The user expressly acknowledges that the data may contain some nonconformities, defects, or errors. No warranty is given that the data will meet the user's needs or expectations or that all nonconformities, defects, or errors can or will be corrected. The user should always verify actual data.
