# AFRAN: a set of ongoing missions

-  **Share relevant information** on the French and Australian Research and Innovation systems, as well as cooperation mechanisms
-  **Identify fields of opportunity** for bilateral cooperation
-  **Provide a platform for networking** and experience-sharing within AFRAN members and with other actors of the research and innovation ecosystem
-  **Develop activities** to energise the members' network
-  **Create incentives** to develop the bilateral cooperation

# AFRAN: growing membership

<http://afran.org.au>

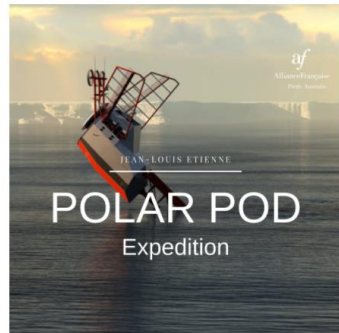

Also on LinkedIn &  
Twitter

**Over 700 members**

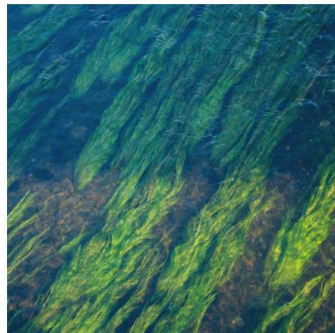

Any interested individual  
or organisation can join  
for free
